EDUCATION

B.Tech in Computer Science Engineering, Maharishi Dayanand University   May 2024 (PASSOUT)

M.Tech in Computer Science Engineering, Maharishi Dayanand University , May 2024-May 2026 (PURSUING)

SKILLS

Languages	Javascript, C++, HTML, CSS
Frameworks	React, Node.js, Express
Tools	Git, Microsoft Visual Studio Code
Soft Skills	Time Management, Teamwork, Communication, Problem Solving, Leadership, Accountability

PROJECTS

Project 1

CAR RENTAL WEBSITE   Live Link

- Developed a car rental platform using React JS for seamless user interactions.
- Implemented car browsing, booking, and reservation management features.
- Integrated responsive design to ensure compatibility across devices.
- Utilized state management and API calls for real-time data fetching and updates.

Project 2

Shopsy Ecommerce Website   Live Link

- Built an eCommerce website using React JS, allowing users to browse products and make purchases.
- Integrated shopping cart functionality and secure checkout process.
- Ensured responsive design for smooth performance across mobile and desktop devices.

Project 3

Tours And Travels   Live Link

- Developed a tour and travel website using React JS to showcase destinations and packages.
- Integrated booking system for users to reserve tours and view itineraries.
- Ensured responsive design for optimal experience on both mobile and desktop devices.
- Utilized state management and API calls for real-time updates on availability and prices..

Project 4

PORTFOLIO   Live Link / Portfolio

- Created a personal portfolio website using HTML, CSS, and JavaScript to showcase skills and projects.
- Designed a responsive layout to ensure compatibility across different screen sizes.
- Utilized JavaScript to add dynamic features like form validation and smooth scrolling.

EXPERIENCE

Kodu - Powered By Dhruina — Intern Company April 2024 - April 2025

- Collaborated in designing and developing responsive user interfaces using HTML, CSS, and JavaScript.

- Worked on optimizing website performance and ensuring cross-browser compatibility.

- Assisted in integrating APIs and dynamic content using modern JavaScript frameworks (e.g., React).

- Gained experience with version control (Git) and deployed projects using platforms like Netlify and GitHub Pages.
